School Fee Reduction Programme (SFRP)

Munich International School e.V. (MIS) is a not-profit private school with a holistic educational IB programme. The educational services at MIS have the purpose to serve mainly international mobile families coming from abroad to Germany for a certain amount of time. Additionally MIS accepts children with permanent residence in Germany with an international background. As an alternative School approved by the Bavarian Government (*genehmigte Ersatzschule*) in G1-G9 and a supplementary School *Ergänzungsschule* in G10-G12 MIS is mainly financed by School fees, paid by families or the employers of families who are sending their children to MIS. As a non-profit organization all revenues are devoted entirely to ensuring that the school fulfills its educational mission and objectives. In consideration of the statutory purpose of the school, MIS offers a [School Fee Reduction Programme \(SFRP\)](#). Its purpose is to ensure international and social diversity and to make Munich International School e.V. accessible to students with the interest and need for an international education regardless of economic status. More information about the SFRP, including eligibility can be found on our website.

Special Payment Plan (SPP) for Tuition Fee

A "Special Payment Plan" (SPP) for the Tuition Fee is available upon written request for families who pay their tuition fees 100% 'privately' (i.e. families where a company pays some or all of the tuition fees for a student are ineligible). The SPP applies only to tuition fees with equal payments due on 1 July, 1 October, 1 January, & 1 April of the relevant school year and payable by direct debit only. The SPP request must be approved in advance by the CFO. A Service Fee of €500 for a SPP will also apply and be added to the first invoice.

If you wish to apply for a SPP, please send your request to accountreceivable@mis-munich.de no later than the end of May for the following school year. Requests after this date will be considered on a case by case basis.

Please note that should one direct debit be revoked, full payment of the Tuition Fee would be due immediately and the approval for the SPP would be no longer valid.
